proof of testing or proof of recovery or proof of vaccination when entering Germany. In principle, COVID tests (antigen tests or PCR tests) may not be older than 48h at the (planned) time of entry. **Only PCR tests are accepted for participation in the EU Technical Test. Antigen tests are not recognized by the DSLV.**

Conditions of participation:

For the contractual relationship between the German Ski Instructors Association (DSL) and the participants apply in addition to the general terms and conditions of participation of the German Ski Instructors Association:

- Participants must present 2G proof, be fully vaccinated against Corona or have recovered from a Corona infection within the past 6 months. Participants must provide proof of this in person upon arrival via the CovPass app in conjunction with the presentation of an ID card or passport. Only digital proof with a QR code will be accepted. Detailed info at <https://skilehrerverband.de/wp-content/uploads/2021/09/2021-09-17-Verfahren-QR-Code-Check-DSLV-bei-Aus-und-Fortbildungen.pdf>
- In addition, participants must provide a PCR test at the opening of the course, which must not be older than 48 hours at the opening of the course.
- The participants have to register in time. A later registration is possible under the condition that the participation has been confirmed explicitly by the DSLV.
- Participation is only possible if proof of complete and timely payment of the participation fee. The DSLV cannot be held responsible for abuses during registration.
- The participants agree that their personnel data may also be used for computer-aided (EDP) at the DSLV and also to the central Eurotest Database can be passed on.

All information and important notes on execution can be found in the Delegated Regulation of 14.03.2019:

Release from liability

My participation is at my own risk. I am aware that I am taking an increased risk by participating in this Eurotest. I expressly declare by my signature that I release the organizer from any liability towards me. This applies in particular to any claims for damages against the organizer in the event of damage suffered before, during and after the Eurotest. Furthermore, I acknowledge that my personal liability for damages is not insured by the organizer. This means that in the event of damage to a third person as a result of my participation, I must pay for this damage myself. I also take note of the fact that there is no accident insurance and no health insurance coverage for me during the entire duration of the event.

Declaration on oath

I confirm with my signature that I am aware that the Eurotest takes place in alpine terrain and that there are possible dangers for body and mind connected with it. I confirm on oath that I do not suffer from any illness or physical ailment and that I am in excellent physical condition. I am physically fit to participate in the Eurotest in high alpine terrain. I take note that the organizer does not assume any liability for possible physical complaints - this also applies to consequential damages - due to my participation.
due to my participation. My participation is at my own risk. I refer in this regard expressly to my release from liability for the organizer.
