

**Prot. No. 96 of 30/10/2025**

## **NOTICE OF EXPRESSION OF INTEREST**

### **CALL FOR EXPRESSIONS OF INTEREST FOR THE SELECTION OF MEMBERS OF THE CTT-T EXAMINATION COMMISSION WITHIN THE FRAMEWORK DEFINED BY DELEGATED REGULATION (EU) 2019/907 OF 14 MARCH 2019 AND SUBSEQUENT AMENDMENTS – ANNEX 2**

**HAVING** regard to Article 2 of Delegated Regulation (EU) 2019/907 and subsequent amendments, which establishes the content of the Common Training Test (PFC) and the conditions to be met both to take part in and to pass it;

**CONSIDERING** Article 8 of Regulation 2019/907, as amended by Commission Delegated Regulation (EU) 2023/865 of 23 February 2023, stating that *“ski instructors who have successfully passed the aforementioned CTT or who enjoy acquired rights pursuant to Article 7 of Delegated Regulation 2019/907 shall be issued a certificate of competence through the Internal Market Information System (IMI) established by Regulation (EU) No 1024/2012, by a competent authority in a Member State”*;

**TAKING INTO ACCOUNT** that, as indicated in Annex I to the aforementioned Regulation, as amended by Delegated Regulation (EU) 2023/865 of 23 February 2024, in Italy the competent authorities include, among others, the Regions and the Autonomous Provinces of Trento and Bolzano, which, pursuant to recital (8), *“have exclusive competence to issue the qualification of ‘Ski Instructor’ and may delegate this power to other Italian bodies listed in Annex I to Delegated Regulation (EU) 2019/907”*;

**TAKING INTO ACCOUNT** that the Common Training Test is a standardized aptitude test available among participating Member States and reserved for holders of specific professional qualifications. In accordance with Article 49 ter, paragraph 1, of Directive 2005/36/EC, passing the test in one Member State entitles the holder of a given professional qualification to pursue the profession in the host Member State under the same conditions applicable to holders of qualifications obtained in that Member State;

**TAKING INTO ACCOUNT** that, pursuant to point 1.2.3 of Annex II to Delegated Regulation 2019/907, the course must be approved by a **“technical commission”**, whose members are to be appointed by the organizing Member State or, where appropriate, by the competent authority, based on their competence and professional experience. Member States or competent authorities other

than the one organizing the CTT may propose members for the technical commission. In such cases, the organizing Member State or competent authority may refuse a proposal only for duly justified reasons;

**TAKING INTO ACCOUNT** the document drawn up by the Coordinators Group for Directive 2005/36/EC on 24 June 2025, which is hereby fully referenced, from which it appears that eligibility for membership in the “**Technical Commission**” requires:

- EU citizenship (preferential requirement);
- Appointment based on competence and professional experience;
- Passing the CTT is not mandatory;
- Preference should be given to holders of qualifications listed in Annex I to Regulation 2019/907;

**TAKING INTO ACCOUNT** that, pursuant to point 1.1.4, first indent, of Annex II to Delegated Regulation 2019/907, examination commissions supervise and ensure the proper conduct of the technical test, and that membership in the examination commissions is open to qualified citizens of all Member States. Therefore, only citizens who passed the Eurotest before the entry into force of the aforementioned Regulation or who have passed the CTT may be appointed as members of the examination commission for evaluating the technical test modules;

**TAKING INTO ACCOUNT** the document prepared by the Coordinators Group for Directive 2005/36/EC on 24 June 2025, which states that eligibility for membership in the “**Test Juries**” requires:

- Citizenship of an EU Member State (including EFTA/EEA citizens and third-country nationals with equal treatment, e.g., long-term residents or seasonal workers);
- Holding a qualification listed in Annex I to Regulation 2019/907;
- Having passed the Eurotest prior to the entry into force of the Regulation or having passed the CTT;

**CONSIDERING** that, according to the same document, instructors benefiting from automatic recognition of acquired rights are **not automatically eligible** to serve as examiners unless they have passed the relevant tests (CTT, Eurotest, or Eurosecurity) before the Regulation entered into force;

**CONSIDERING** that Article 6(2) of Law No. 81 of 8 March 1991, which provides that the training courses for the qualification of ski instructors are organized by the Regions in collaboration with regional and provincial professional colleges, as well as with the technical bodies of the Italian Winter Sports Federation, under the conditions set by regional legislation;

**CONSIDERING** that D.D. No. 6876 of 13/05/2025 approved the agreement between the Calabria Region and the Regional College of Ski Instructors of Calabria for the organization and implementation of technical, educational, and cultural courses for qualification as ski instructors under Law No. 81/1991 and Delegated Regulations (EU) 865/2023 and 907/2019;

**CONSIDERING** that, with D.D. No. 15338 of 30/10/2024, the draft agreement between the Calabria Region and the Regional College of Ski Instructors of Calabria was approved for the organization and implementation of the common training tests and the appointment of the test juries and the technical commission in accordance with the framework defined by Delegated Regulation (EU) 2019/907 of 14 March 2019;

**CONSIDERING** that, pursuant to point 1.1.4, second indent, of Annex II to Delegated Regulation 2019/907, such test juries are designated by the organizing Member State or, where appropriate, by the competent authority based on their professional competence and experience in the field. The organizing Member State or competent authority may delegate this power of appointment to third parties, but members of the test juries must always represent at least three Member States.

**HAVING** Law No. 81 of 8 March 1991 ("Framework Law for the Profession of Ski Instructor and further provisions regarding the Alpine Guide profession");

**CONSIDERING** that the Regional College of Ski Instructors of Calabria intends to conduct the CTT T on 4–5 December 2025 in Livigno (SO), with 6 December reserved as a possible recovery day;

**CONSIDERING** the interest of the Regional College of Ski Instructors of Calabria in proceeding with the appointment of both the technical and examination commissions;

For all the above considerations and findings

**THE PRESIDENT OF THE REGIONAL COLLEGE OF SKI INSTRUCTORS OF
